ABOUAB MAIYER AL-JODA OVERVIEW

About Us

At **Abouab Maiyer Al-Joda**, we are more than just consultants, we are transformation partners dedicated to redefining how businesses operate. With expertise in ISO management systems and administrative consulting, we provide solutions that enhance efficiency, ensure regulatory compliance, and drive operational excellence.

Our strategic approach helps organizations streamline processes, improve governance, and achieve sustainable growth in dynamic business world.

Beyond consulting, we offer smart Quality Management Software (QMS), an advanced solution that simplifies compliance, automates workflows, and ensure continuous improvement.

Whether you need ISO certification, process optimization, or advanced automation, we provide the expertise and technology to elevate your business.

OUR PROCESS

Mission

Help organizations achieve operational excellence, regulatory compliance, and sustainable growth through innovative solutions and industry best practices
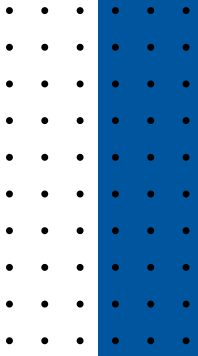

Vision

to be a leading consulting firm that empowers organizations with innovative solutions, ensuring excellence, compliance, and sustainable growth. Through our expertise in ISO management systems, administrative and management consulting, and smart Quality Management Software (QMS), we strive to help businesses optimize operations, enhance efficiency, and achieve their strategic objectives.

OUR SERVICES

☑ ISO Management Systems Implementation & Consultation Services

☑ Administrative & Management Consulting Services

☑ Quality Management Software (QMS)

✅ ISO MANAGEMENT SYSTEMS IMPLEMENTATION AND CONSULTATION SERVICES

Take your business to the next level with our ISO Management Systems Implementation and Consultation Services. At Abouab Maiyer Al-Joda, we help organizations integrate ISO standards, promote a culture of quality, efficiency, and continuous improvement.

Our experienced consultants provide direct support customized to your industry, ensuring easy ISO implementation, full compliance and successful certification.

With expertise across a wide range of GMPs and ISO standards including ISO 9001 QMS, ISO 14001 EMS, ISO 45001 OH&SMS, ISO 21001 EOMS, ISO 22000 FSMS, ISO/IEC 27001 ISMS, ISO 22301 BCMS, ISO/IEC 27701 PIMS, ISO 42001 Artificial Intelligence, ISO 10002 Customer Satisfaction and many more covering health, environment, human rights, and beyond we are your trusted partner in achieving and sustaining global standards.

Partner with us to streamline your processes, enhance customer satisfaction, and showcase your commitment to excellence in the global marketplace.

✅ ADMINISTRATIVE & MANAGEMENT CONSULTING SERVICES

At Abouab Maiyer Al-Joda, we provide specialized Administrative and Management Consulting Services, offering expertise in Business Process Reengineering (BPR) and Policies & Procedures Development (PPD)

- **Business Process Reengineering (BPR)**
  Analyze and optimize your business operations to enhance efficiency, streamline workflows, and integrate innovative technologies. Our tailored strategies drive operational excellence, reduce inefficiencies, and position your organization for long-term success in a competitive market.

- **Policies & Procedures Development (PPD):**

  Design and implement comprehensive policies and procedures that align with best practices, regulatory requirements, and organizational goals. Our structured approach ensures operational consistency, enhances compliance, and fosters a culture of continuous improvement.
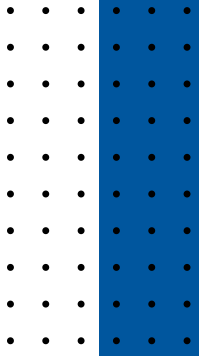

With Abouab Maiyer Al-Joda, you gain a strategic partner dedicated to transforming business processes, strengthening governance, and driving sustainable growth

☑ QUALITY MANAGEMENT SOFTWARE (QMS)

At Abouab Maiyer Al-Joda, we offer a powerful Quality Management Software (QMS) designed to streamline compliance, enhance efficiency, and ensure continuous improvement. Our QMS solution helps businesses automate workflows, manage audits, track non-conformities, and maintain regulatory compliance with global standards such as ISO 9001, ISO 14001, ISO 45001, ISO 22000, ISO/IEC 27001 and others. With intuitive dashboards, real-time reporting, and seamless integration, our software empowers organizations to optimize quality processes, reduce risks, and drive operational excellence.
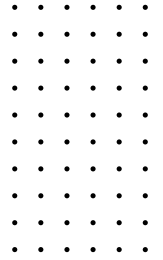

MEET OUR TEAM

At Abouab Maiyer Al-Joda, our strength lies in the exceptional individuals that comprise our dedicated team – a collective force committed to catalyzing success for our clients. As a diverse and dynamic group of professionals, we bring a wealth of experience, innovative thinking, and a shared passion for driving positive change in the business landscape.
